FOR IMMEDIATE RELEASE

Village Arts Factory To Feature Artwork of Artist Kseniya Hauptmann

(Canton, MI – October 23, 2025) The Village Arts Factory is set to exhibit the artwork of Kseniya Hauptmann in a special exhibition entitled: “Whispers of the Inner World.” Hauptmann’s solo exhibit will bring together a collection of her works that explores the invisible landscapes of the heart — the intensity of buried feelings, the grace of connection, and the forces that shape our inner lives.

Hauptmann’s mixed-media approach delicately balances abstraction and figuration, merging materials and textures to mirror the complexity of human experience. Influenced by Impressionism yet driven by experimentation, her paintings reveal layers of depth and emotion that shift with light and perspective. Each piece seems to breathe with its own rhythm — a whisper of vulnerability, strength, and transformation.

Originally from Belarus, Hauptmann studied fine art, art history, and interior design before turning her focus to painting in 2017. Her work has since been featured in exhibitions and galleries across the world, celebrated for its unique blend of creativity, innovation, and emotional resonance. Through her art, she continues to push boundaries, offering a contemplative space where imagination meets introspection.

An opening reception will be held on Friday, November 14, from 6-8 p.m. This special art reception is free and open to the public. Reception guests will be able to explore the exhibit and partake in light refreshments.

This art exhibit at the Fine Art Gallery at the Village Arts Factory is free and open to the public from November 4-28, 2025, during gallery hours: Monday through Saturday from 9 a.m. to 7 p.m.; during all public events; or by special appointment arranged via email to kevin.ryan@cantonmi.gov.
