The Cherry Hill District Food Drive had another successful year! 5 truck loads of food were donated to the HOPE clinic! Thank you so much to all the businesses that participated and thank you to Cherry Hill United Methodist Church for partnering with us on this donation drive!

Rooted Vision is excited to announce a monthly gathering to bring people together around creativity, connection, and curiosity. Each event offers a space to learn alongside one another, share stories, and explore new ways of being inspired. Our goal is simple: to build genuine relationships, encourage thoughtful making, and create moments that feel meaningful long after the afternoon ends.

HAPPY NEW YEAR!
