## Supply List

**Paper – STRATHMORE COLORED PENCIL PAPER OR STRATHMORE BRISTOL - VELLUM SURFACE, OR CANSON BRISTOL – VELLUM SURFACE OR WHITE STONEHENGE PAPER**

8” x 10” or larger - **NOT SKETCH or DRAWING PAPER!** Strathmore paper comes in several qualities – 300 is student grade, 400 is professional grade, 500 is premium grade

**If you have experience** with another type of paper, feel free to bring it also!

**Note: PAPER QUALITY IS VERY IMPORTANT!!**

Availability: Most art supply stores carry 8” x 10” to 14” x 17” pads. Pads are available up to 19” x 24”. Michael’s and JoAnn’s may carry the small to medium pads.

**1 set of Prismacolor (or equivalent – NOT student grade) Pencils – AT LEAST 72 colors** including a set of grays (6 shades) – the more pencils the better– it can’t be stressed enough!!! I realize that Prismas cost a bit more than store brand pencils, but in the long run it is SO worth it! If your pencils, say, don’t have names on them, it will be very frustrating to find the right ones! Also, student grade pencils can’t even come close to the abilities of the Prismacolors.

Availability: Any art supply store, most craft stores. Pencils are available in sets of 12, 24, 36, etc. up to 150 and often can be bought individually (good way to get the grays). Highly recommend a portrait or landscape set if you cannot get a larger set. The quality of your drawing is directly dependent on the quality of your pencils!

**1 sheet of NON WAX Transfer Paper**

Availability: Most art supply stores, possibly craft stores – Saral is a good brand and is still readily available

**1 White Pentel Clic Eraser**

Availability: Any office or art supply store. Should come with eraser, otherwise refills may be necessary.

**1 pencil sharpener**

Availability: Almost anywhere! Art stores will carry the kind that keep the shavings inside and away from your art.

**(Optional) 1 brush** – a cheap bench brush, or big paint brush (gesso brushes are good too).

Availability – Hardware stores carry cheap brushes. All art stores carry gesso brushes, fairly cheap.

**(Optional) White Artist Tape, typing style erasers, fine point art knife (#1 or #2 size handle with fine point blade)** Availability: Any art, craft, or hobby store (except typing erasers, which are hard to come by).

**(Optional) 1 Piece of Art - in progress or finished, that you would like to work on or would like help with.**

**(Optional) magazines, books, or photo reference you would like to experiment with recreating**

**BRING ANYTHING ELSE YOU ARE COMFORTABLE WITH USING!!!**
