

# Cherry Hill Village District Newsletter

March  
2026

**Exciting progress is happening at the Factory building!** Drywall is up, lighting is going in, and the space is really starting to take shape. We're thrilled to anticipate construction to be completed in late Spring.

**Over in the Town Square,** earthwork will continue as the weather warms, and landscaping along the ponds will soon start to take shape, bringing more beauty and green space to our community. Stay tuned for more updates as the Village Arts Factory comes to life!

# ADAPTIVE MINI GOLF COURSE

## CREATE YOUR OWN HOLE CONTEST!

Join us for a truly unique mini golf experience at the Village Arts Factory! We are inviting the public to build their own mini golf hole that can be placed inside the Village Arts Factory as part of a 9-hole course. We are encouraging interested individuals, community groups, or businesses to apply to participate. Let your creativity run wild and build a hole that embraces who you are or what your organization is about! The more unique, the better! Nine individuals/groups will be selected to participate. Those selected will be reimbursed up to \$250 for materials and supplies. A public vote will determine the best hole design. The winning design will receive a Grand Prize of \$500!

APPLICATIONS DUE APRIL 15  
HOLE COMPLETION AND DELIVERY BY JUNE 30
